Projekt #KulTourKids für Braunschweiger Drittklässlerinnen und Drittklässler

Dear parents,

As part of the #KulTourKids project, which was launched last year, we – the Bürgerstiftung Braunschweig and the city's Department for Science and Culture – would like to encourage all third graders in elementary and special-needs schools (municipally or privately operated) to learn about our city's history and also get to know the rich cultural program and opportunities.

At school, your child was given a high-quality sports bag with the #KulTourKids imprint. In it, you will find a variety of things, including a coupon booklet and an illustrated puzzle book dealing with Braunschweig's history. In the coupon booklet, cultural and recreational facilities are introduced. In addition to municipal facilities, a large number of partners, who feel enthusiastically about this project and have volunteered their support, offer free visits or participation in an event.

The puzzle book "Braunschweig Mystery Kids – Searching for the Mysterious Treasure" takes its readers to historical places in our city and introduces the children to fascinating facts and stories about Braunschweig in the Middle Ages. Nicely tied together by a crime story, these riddles, search images and pictures for colouring manage to impart knowledge in a playful and fun manner.

We hope that we have sparked your interest and that you and your child will have fun using these offers and getting to know a variety of our city's facilities.

Kind regards,

Andrea Reinhart

Thomas Schebesta

Vorstand

Bürgerstiftung Braunschweig

Dr. Anja Hesse
Dezernentin für Kultur
und Wissenschaft
